A Grateful Hallelujah!

I want to express my sincere thanks for all the prayers and notes during the excruciatingly long hospitalization of my sister, Margery McFarland. She has been released from the nursing home and is finally back in her own home after nearly nine months! She will continue to have recuperative therapy for some time, but it will now be at home. She is overjoyed, as are we! She expressed to me how much it meant to her to have the support and concern of the kind folks here at St. Andrews. We are indeed a close-knit and "far-reaching" family. Your prayers were heard, and answered, all the way back in New England! Many thanks for your continued concerns over these many months.

Sincerely, Bob Hearson
