Do you FISH???

In St. Andrew's Terms that is "FISH" (Fellowship and Intellectual Stimulation Hour), a group for our 60+ members that meets every other month for food, fellowship and to 'stay connected'. Programs planned for 2011-2012 include.....

- The Harmonettes from Lebanon Valley Brethren Home
- Dr. Elizabeth Weisburger, Toxicologist (and sister of our own Wes Kreiser) - Are you Really Going to Eat That?
- As always, a wonderful Christmas event.

Serving our most 'experienced and dedicated Saints' is a great opportunity to share God's love. After several years and MANY THANKS...Karen Regester is stepping down as the coordinator for FISH. If you have an interest in helping to coordinate this group for the upcoming year, please call Lynn Phillips -- 964-3445.
