From the Trustees

Another year comes to an end and a new one shortly to begin. Just as the Trustees felt nothing else could be wrong, the sinkhole developed in the South Parking Lot. That early snowfall in October arrived on the day the final asphalt application was to take place. The project will be completed in the Spring, so for the rest of the winter please use care when navigating that part to the parking lot (by car or foot) because of the step offs that exist. The Trustees will say goodbye to Ken Tice, who has finished his terms. Thank you for your service. And we welcome John Roberts who will be joining us in January.

A special thanks is due to Ken Tice who is completing a long term as President of the Board of Trustees. He has had to deal with the completion of the rerouting of the sewer line in Snyder Hall, the breakdown of the air handler, the steeple and the sinkhole. After each one of these events we would say "What else can go wrong?"

If anyone has a skill/talent (painting, plumbing, electrical work, landscaping), please contact Cliff Shiner. Any volunteers who can help with minor jobs/repairs would be appreciated. Also contact Cliff if you see anything that you think needs attention.

Merry Christmas and Happy New Year!

The Trustees

The Christmas Joy offering will be received on Sunday, December 23.
